## Commodore's Comments .....Sjoerd-Jan VanderHorst

**Commodore's Day** - Please join us July 4 for a fun day of racing, lunch and activities. The day will start with the Charlton Cup double-handed race - skipper's meeting at 9am. We will have a lunch prepared by yours truly (OK, prepared by the Commodorable, my lovely wife Kathy, who actually runs the ship). Lunch will be served at 1pm.

At 3pm, join us in the Commodore's Funday Race. Races will be an anything goes elimination series, open to all who dare to participate and will take place in Optis. Your \$10 registration fee/donation will go to Sandusky Junior Sailors, who are providing the boats. Prizes and bragging rights will be awarded for top finishes and "other" categories. The race course will be off of Springer's Wharf to allow viewing for competitors, spectators and hecklers. There will also be a top Commodore/Past Commodores division so I challenge all of my predecessors to BRING IT.

I wanted to remind everyone of the events going on in July and August and what to expect when you come to the club during the events.

**Interlake Nationals will start July 17** with measurement, and Junior and Women's Nationals. Racing will start July 18 and finish Sunday July 21 mid-afternoon. We will have approximately 30 spaces blocked off near the mast hoist to park out of town boats. Members will be able to drive in and out of the club with their vehicles, but it will be fairly busy as we are expecting approximately 50 boats. (See flier)

**Interlake Nationals - Volunteer opportunities are still available to for chase boats, spectator boats, registration, and in the galley. Please contact Bernie Ashyk 419-433-6387 or 216-244-3299**

**SSC will also be hosting Thistle Nationals** during the first week of August. Boats will start arriving Aug. 2 and the final day of racing will be Aug. 9. Registration has been coming in fast, and we anticipate 100 boats with three team members each. For the duration of the regatta, the club will be closed to automobiles, similar to Opti Nationals last year. Dinner (catered by Pier 684) and live music is planned for Sunday, Monday and Thursday nights. Sunday's entertainment will be Fritz; Monday will be Ed Klein; and Thursday will be the well-known comedian/musician Charlie Weiner. SSC members are invited to join in the food and fun. For planning purposes, dinners need to be pre-purchased. We will be collecting tickets only each evening (no cash), so if you would like to join us, please purchase your meal tickets (\$15 each) on Aug. 3 at regatta registration or email me at [sjvanderhorst@gmail.com](mailto:sjvanderhorst@gmail.com) to place your order.

## **(Commodore's Comments continued)**

Thistle Nationals Menus include:

Sunday, Aug. 4 - 1/2 Chicken, Kentucky Bourbon rib tips, corn on the cob, Memphis cole slaw, brown sugar and maple syrup baked beans, and pasta salad.

Monday, Aug. 5 "Street food night" - Gyros, fish tacos, beef tacos, bratwurst, potato salad, and Greek salad.

Thursday, Aug. 8 - Beef, chicken, and shrimp kabobs, fettuccine alfredo, baked potato bar, seasonal vegetable, and garden salad bowl

Many volunteers are still needed for the week. Please contact John Wiggins to help: [movin\\_uout@hotmail.com](mailto:movin_uout@hotmail.com)

Thank you Jim Keane for the countless hours already spent organizing the race committee, and thank you to your RC team for organizing early. We can't run this without you!!

In anticipation of the additional traffic at the club, we have added a few more trash cans around the clubhouse. PLEASE deposit bags of trash from your boat/car, etc. directly into the dumpsters and not into the trash cans around the clubhouse. In addition to the trash cans, we have switched trash companies and will now have three dumpsters. One will be designated for recycling only. Please separate your trash from the recycling and make sure it ends up in the right dumpster. Please do not throw trash into the recycling cans or dumpsters.

I have had many requests for baby sitters during Thistle Nationals. If you or anyone you know is looking to make a little extra \$\$\$, please let me know and I will start a list. People are looking for sitters during racing and also looking for teens to help grandparents, etc. while parents are out racing. Please call or email me if you are interested: [sjvanderhorst@gmail.com](mailto:sjvanderhorst@gmail.com)

## **Vice Vice Baby!!.....VC Mike Fishbaugh**

**House and Grounds** - As I have been around the club over the past month, it has been great to see the flurry of activity occurring, from our Wednesday and Sunday races, to parties, Learn to Sail, the Race Team practicing, and our fellow members enjoying our beautiful facilities. As we all are using the club more during these summer months, please take an opportunity to help keep our club looking as wonderful as many already do. If you notice a full trash receptacle or a table that needs cleaned, please pitch in and help us keep SSC looking so great!

As you are at SSC, here are a few ongoing projects that we could use assistance in completing:

Behind our Clubhouse: This is the side of SSC that the city sees from the parking lot. If anyone can pitch in and help weed along the fence and the planting behind the clubhouse, this would greatly help how we look from Battery Park. This was cleaned well at Spring Workday, but can use some additional attention.

The new fence that was installed by the grilling area needs stained. If anyone is interested, please contact me.

We are also in the process of upgrading and installing some additional trash cans near the clubhouse. Look for these shortly, and again, if you see one that is full, please take a moment to empty it.

I look forward to seeing everyone at the club over the upcoming weekend and holiday!

*For any House and Grounds issues* that need attention, please contact me at [mfishbaugh@pathmaker.net](mailto:mfishbaugh@pathmaker.net).

## **Rants from the Rear .....Pete Grant**

**Berth Holder Appreciation/Boat Inspection Day event** - Thanks to everyone who pitched in to make this "new" event a success. Special thanks go out to Bill Lehner and his team for handling the inspections, I'm told a total of 15 boats participated in the program. Thank you also to PC John and Roberta Hartung, and Kathy and Paula, for helping out in the galley while Commodore VanderHorst and I took turns on the grill.

**Galley use** - As our busy summer schedule continues, it's a good time to remind everyone on proper use of our galley. Please note that the fridge and freezer are for official club use only. Our food service license has strict guidelines, and any food left in either location that is not for an official SSC event will be thrown out. If you do use the galley for food preparations, please make certain to leave it clean and organized. Everyone's help and assistance is greatly appreciated as we try to provide enjoyable meals and events for everyone.

I can be reached at [pgrant@bex.net](mailto:pgrant@bex.net) or 330-416-2884.

## **Operations .....Tim Kyle**

**Open docks** - We have several 30ft docks available for permanent assignment. There is also one 26ft dock available. If you know someone looking for a dock, please send them my way.

**Hoists** should be warmed up before use. It's tough on a hoist to snatch a load and lift it when it's cold. If you are the first one to use a hoist, please run it down and back up to warm up the motor and gearbox before lifting your boat.

**Trash** - Please deposit bags of trash from your boat in the dumpster and not the trash cans located around the clubhouse. This will help control the cost of can liners and reduce the frequency of emptying the cans. Your help with this is greatly appreciated!

**The next meeting of the Sadler Basin Committee** will be held at 7:00pm on Monday, Aug. 5 at SSC.

**Contact information** - Any questions, comments or concerns relative to the clubhouse or basin operations are welcome. You can contact me at [timmo@sbcglobal.net](mailto:timmo@sbcglobal.net) or call 419-656-5881.

## Community Sailing.....Jeff Witter

In June we offered 2 sailing sessions with Big Brothers/ Big Sisters serving 8 matches. The weather didn't cooperate on the second session with severe weather and lightning, but the children and Bigs had a great time visiting with each other and the staff from Learn to Sail. Thank you to Donna and Jim Brinker and Stacey Witter for preparing meals for the staff and guests. Also thank you to Stacey, Jim Brinker, and the staff of Learn to Sail for preparing the boats and sailing with the guests. Our Race Team Coach/ Head Instructor Sam Patterson and Instructor Mic Kaufman graciously offered their time to help get the group out on the water, shared their backgrounds and traditions of sailing with the group, and helped the time fly by as we waited out the storms. If you haven't had the chance to meet these two young men, Instructor James Alexakos and Coach/Instructor Ryan Reffner, please do so as they are wonderful young men representing our club, Learn to Sail and Race Team with great honor.

I have scheduled 4 additional sessions this summer. July 12, July 23, Aug. 12, and Aug. 22. If you are able to help prepare a meal for these sailing sessions, please call Jeff Witter at 419-656-1950. We typically serve 12-15 for dinner at 6pm, with sailing to follow.

## Adult Learn to Sail.....Jeff Witter

In June we began a 5 session program for adult instruction. We have 9 registered with room for more if you have any interest in a program focusing on the fundamentals of sailing and boat handling. Please call Jeff Witter at 419-656-1950 (cell).

## Sandusky Junior Race Team ..... Lori Coulter

Our Junior Race Team is proving to be a force out on the water. The sailors have participated in 5 exciting regattas to date including: Hoover (Columbus), North Cape (Toledo), Edgewater (Cleveland), Sandusky, and Mentor (Cleveland). (See Results section) Our team is also showing a strong standing on the winner's podium, racking up the points for our Travelers Series. We are all so grateful for our coaches, Sam Patterson, Ryan Kyle, and Ryan Reffner for their expertise that is truly the wind beneath the team's sails.

**Area E Semi Finals** - July 7, 8, and 9, we are sending two 420's, skippered by Dylan Winkel and Eli Zettler and crewed respectively by Montana Coulter and Oliver Burger; and one Laser, skippered by Mic Kaufman, to the Area E semi finals at Grosse Ile Yacht Club, Michigan. And then a quick turn around on July 10 when one of our Opti sailors, Aydan Coulter, will represent Sandusky in the Girls' Opti National Championships at Grosse Point Yacht Club, also in Michigan. The team will then participate in two more regattas at Erie Yacht Club and Port Clinton Yacht Club before heading to South Bass Island for Junior Bay Week. Please take some time to come cheer your team on.

**Dylan Winkel and Montana Coulter take Danny T into competition.**

**Red Leader, Chaz Coulter, rescues a tired 420 crew at the SSC Jr. Regatta.**

## **Cruising Fleet .....Mark Swabley**

With our trips to Leamington, Lorain, and the Islands completed in June, we are headed on some new adventures in July starting with a Fleet Party on Saturday, July 6. Festivities will kick off at 3 in the afternoon with some Bay Games. We'll be setting up some fun exercises like docking for the non-drivers on your crew, MOB drills, and handling flares. Then at 6, we will gather under the pavilion for a Bring-Your-Own dinner/gathering/fleet meeting where we will enjoy each other's company and discuss our July, August, and September activities and opportunities.

*A night sail to Huron* is back on the schedule this year for Friday, July 12 in conjunction with the Swanbeck and Riverfest. The big fireworks display is Friday night at 10:00.

**Cruise Week** - Plan to leave Sandusky on Friday, July 19 and sail to Pelee for the night. On Saturday we will sail on to Erieau in Rondeau Bay. It is a nice marina with friendly locals. The marina has recently had improvements including a pool, exercise room, picnic pavilion, and a life-size chess/checkers board. The beach is within easy walking distance. There are good restaurants for breakfast and dinner within a few blocks, but bring some food to cook as grocery options are limited. Plan on a couple of shore excursions like the Monday Winery Tour that includes transportation, cheese tray, and wine. Bicycles are great for checking out the surrounding area, and dinghies are fun for playing in the bay. There may be some anchoring opportunities in Rondeau Bay just to the east of the bay entrance, or south of Pointe aux Pins if winds are out of the north. We are planning on staying in Erieau for five nights but a side trip to Port Stanley is always a possibility. The trip is about 70 miles across the Lake from the Cedar Point Light. Our return trip could be via Leamington, Pelee, Middle Bass, or Lorain as it depends on the weather.

## **Upcoming:**

Bay Week anchorage 8/2-4

Jim Ziss is taking a group to Kelleys Island on 8/5-6 to see the circus.

Mystery Island 8/10 and 8/17

The Tall Ships are coming to PIB Labor Day weekend and we will be looking into Middle Bass docks or anchorage. PIB Heritage Weekend 9/7-8.

Trip to Pelee Island on 9/14-15 to close down the winery.

If you have questions or would like to join us or add an event, email Mark Swabley at [mswabley@gmail.com](mailto:mswabley@gmail.com).

## **Interlake Nationals 2013- Save the dates July 17-21.**

SSC will host the Interlake Sailing Class Association's 2013 National Championships. Racing will begin with the Women's and Junior Races on Wednesday, July 17. Championship and Challenger Fleet racing will start on Thursday morning and continue through Sunday morning, July 21.

This will be a special year for SSC as PC Brad Huntley is serving as the ISCA's national president, PC Fritz Everson is class vice president, and our own Jim Ward is the returning 2012 ISCA champion. We are hoping for record participation from SSC members and skippers from the region and beyond.

In order to continue SSC's tradition of providing first class racing and fun for our members and guests, the organizing committee needs your help. We will need volunteers to solicit sponsors, market the event, work with our on-site caterers, galley crews, sail and hull measurement, skipper support boats, Race Committee support, lodging for race officials/racing crews, traffic control, cleanup, etc.

If you can help in any way, please contact Regatta Chair Bernie Ashyk by phone @ 419-433-6387 or email [BernsterA@aol.com](mailto:BernsterA@aol.com). Bernie will put you in touch with the appropriate committee members.

After the fun during this week, we will be ready to help Comm. Sjoerd with the Thistle Nationals at SSC Aug. 3-9.
