Commodore's CommentsSjoerd-Jan VanderHorst

Interlake Nationals - As I write this, we are recovering from a very breezy (especially for a 2-person Interlake crew) but fantastic Interlake Nationals hosted by Sandusky Sailing Club. A huge thank you is in order to Bernie and Jane Ashyk and the entire team that contributed to an extremely successful regatta. Once again, the best Race Committee on the Great Lakes put together superb races and the shore crew kept us well fed. Tim made sure everyone was well hydrated and the grounds were looking good even with all the traffic. Congrats to the SSC team for putting together a successful event.

Aug. 2 boats will start arriving for the Thistle Nationals.

To date, we have 113 boats registered and it will be another one for the record books. In 1987 when SSC hosted, we had 115 boats. Thank you to Bernie Ashyk for handling all the registrations as they come in. He has spent countless hours organizing and inputting data into the spreadsheet. If you are able to help during the event, please come down and we'll find you a chore or just come down and enjoy the racing. As a reminder, the regatta starts Saturday, Aug. 3 and ends Friday, Aug. 9 with a dinner at SYC. The club grounds will be closed to automobiles so we can make room for all the boats. Thank you in advance to all the volunteers and members for making this regatta a success and putting SSC in the spotlight for the largest Thistle Nationals in recent history.

I-LYA Junior Bay Week - Congratulations to our junior sailors who competed at I-LYA Junior Bay Week as well as their parents and coaches. You all have worked extremely hard this season, and you make your clubs (SSC and SYC) very proud.

Joe Young - It is with sadness that I report the passing of one of SSC's long time members. Richard "Joe" Young passed away on July 10. He had spent many years racing and volunteering at SSC, contributing greatly to the Race Committee and Sandusky Junior Sailors. Our sympathy goes out to Joe's family - he will be dearly missed.

Please don't hesitate to contact me with any questions or concerns at sjvanderhorst@gmail.com

Commodore's Day 2013

Vice Vice Baby!!.....VC Mike Fishbaugh

It was great to see all the activity at SSC over the past months! Thank you to all who volunteered at our many events to help make them all such a great success!!

Islands Race and Hospice Cup - The Sandusky Islands Race and Hospice Cup was held on June 29 at the beginning of a great 4th of July week. The club hosted a great party of Friday night with \$10 per dinner going to Stein Hospice. Thanks to all who came out and supported SSC and Stein Hospice at this great SSC Event! Likewise it was great to see the participation at the Interlake Nationals!

House and Grounds - Our membership continues to show its dedication by helping so much to keep SSC looking so great! Thanks to all who have helped throughout this summer with continued projects around the club.

For any House and Grounds issues that need attention, please contact me at mfishbaugh@pathmaker.net.

Rants from the RearPete Grant

Wednesday Night Burgers - Summer is going by way too quickly and the club certainly has been busy with activity! Thanks to everyone for their excellent work in the galley on Wednesday nights.

The Islands Race/Stein Hospice Event - Congratulations and thanks to Steve France and all the volunteers who made this event a success again this year at SSC! While the showers and winds (or light winds) proved to be a challenge for some, congratulations to all the competitors who made it around the course. Thanks to Pier 684 for the delicious ribs and the band was excellent as well. The club looked very festive for this great annual tradition!

I can be reached at pgrant@bex.net or 330-416-2884.

The winners... I think?

Many thanks to all the club members who pitch in during the summer to help keep the clubhouse, restrooms, and grounds picked up and clean for the enjoyment of all. Volunteer efforts are essential in keeping this daunting task under control.

Dock carts - Please turn them upside down when not in use to prevent them from being blown into the basin or filling with rain water.

Slow down, you're here! Please slow down when entering and leaving the club. I have had several comments about the speed at which cars and trucks come and go. We have many children (young and old!) on the grounds this time of year, and they don't always pay attention to their surroundings. Let's give them a brake.

Safety first! Please remember to unplug your shore power cord from the dock first, then from the boat. We have seen several cords plugged into the dock and not the boat creating a serious hazard of electrocution. Unplugging the boat first also creates a hazard in the event that the plug accidentally falls into the water.

The next meeting of the Sadler Basin Committee will be held at 7:00pm on Monday, Aug. 5 at SSC.

Contact information - Any questions, comments or concerns relative to the clubhouse or basin operations are welcome. You can contact me at timmo@sbcglobal.net or call 419-656-5881.

Community Sailing.....Jeff Witter

I have two additional sessions this summer - Aug. 12 and 22. If you are able to help prepare a meal for these sailing sessions, please call Jeff Witter at 419-656-1950. We typically serve 12-15 for dinner at 6pm, with sailing to follow.

Adult Learn to SailJeff Witter

In June we began a five session program for adult instruction. We have nine registered with room for more if you are interested in a program focusing on the fundamentals of sailing and boat handling. Please call Jeff Witter at 419-656-1950 (cell).

Commodore's Day 2013

Learn to SailJay Austin

Over the past six weeks it seems we have had just as many sunny days as rainy ones. As you may know, we sail rain or shine and the wet summer has not prevented us from teaching over 100 kiddos the joys of sailing! Your Learn to Sail instructors have been very creative in designing "rainy day activities" and classes are NEVER canceled, even when the tornado sirens were screaming last week! As the director, it makes me happy when our students leave at 4:00 with a smile on their faces. What better way to spend your summer than by hanging out at SSC, rain or shine! We have successfully made it through five sessions, and as I type this report we are in the midst of an intensive training to prepare our Jr. Race Team and other young racers for Jr. Bay Week.

Over the past month and a half, my staff has been faced with plenty of challenges on and off the water with powerboat breakdowns. What I am most proud of as the Director is how my staff has met these challenges with an open mind and used their resources to the best of their abilities. This group of young men (and lady volunteers) should be commended for their hard work so far this summer. If you see Sam, Mic, James, Ryan Reffner or Ryan Kyle around the club, please take a minute to thank them for preparing our club for a bright future. Judging by the Race Team results, we have plenty of talent under the age of 18 here at SSC! Pride, HappyCampers

Sandusky Junior Race TeamLori Coulter

Sadly, the I-LYA Travelers Series has come to an end, but not without an amazing showing from our junior sailors. The overall standings consist of Mic Kaufman 2nd in Laser Radial, Eli Zettler and crew Oliver Burger placed 1st in C420, Dylan Winkel and crew Montana Coulter placed 2nd in C420, Aydan Coulter placed 4th in Opti, and Christopher McCullum placed 6th in Opti. Congratulations to all of our sailors for a spectacular season where daily sailing improvement was evident.

Junior Bay Week has also come to its completion. sent five Laser Radials and two C420's. Congratulations to Mic Kaufman for placing 6th in this week-long regatta. Our club can be proud of the fine young men and women we sent to Put-in-Bay to represent Sandusky. Their sportsmanship and respectful behavior was displayed throughout the week.

I would like to thank our amazing coaches, Sam Patterson (head coach), Ryan Kyle and Ryan Reffner, without whom we would not have had a successful season. I would also like to thank our two senior sailors, Mic Kaufman and Drew Blackburn.

You have both made our team proud and we will miss your competitive attitudes. We wish the best of luck to both young men in their future sailing ventures.

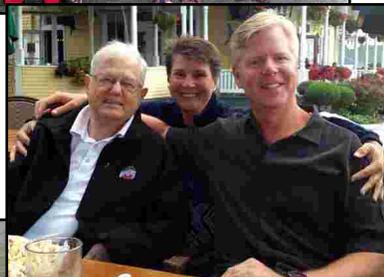

Finally, I would like to thank Becky and Rob Burger for all of the hard work they put forth for our team. We are truly blessed to have a wonderful group of people working together for the betterment of these young racers.

Interlake Nationals 2013Bernie Ashyk

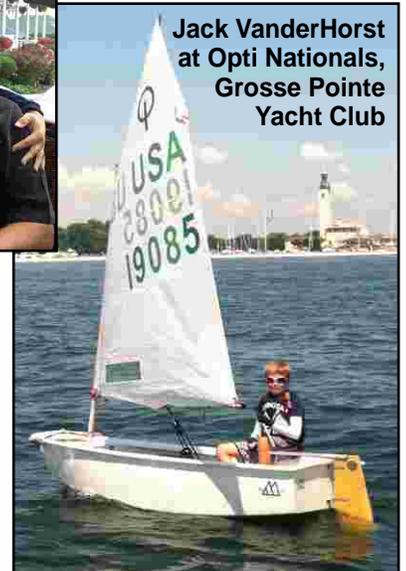

The volunteer spirit at Sandusky Sailing Club is something to be proud of. SSC was host to the skippers of 43 boats, their crews, and families from around the region. Breakfasts, lunches, and dinners were provided and served to all. Some members provided lodging for race officials and sailors. Our members and fellow Interlakers stepped up and helped with sponsorships, registrations, measurement, race committees, mark boats, chase boats, photography, scoring, trophies, and cleanup. Plus, PRO Matt Bounds set eight challenging courses for the competitors.

The activities began with the Norm Winkel Memorial Race at noon on Thursday. PC Mike Muhn, PC Eric Winkel and Bob Reynolds won this race sailing the Interlake *Norm*. This was the first and last race *Norm* will have sailed. She will be on display at the Sandusky Maritime Museum.

In no particular order, a big round of applause and a pat on the back goes to PC Bob and Martha Speers, PC Paul and Connie Murschel, PC Mike and Judy Muhn, Don and Eilene Guy, Chris and Brian Malott, PC Fritz and Jenny Everson, Regina and Paul McAllister, Bernie and Jane Ashyk, Jim and Joyce Keane, PC Skip Oliver and Mary Jane Hahler, Mike Zuilhof, Jim Ward, Steve France, John Wiggins, John Martin, Karl VanderHorst, Jim Brinker, Dave Goscinski, PC Roger Fair, Terry Parker, PC Paul McAllister, Louie Palmer, Jeff Witter, Gloria Winkel, Jackie Riedy, Carol Peter, Dave Miller, Bill Krueger, Wendy Kaufman, Jay Austin, Tim Kyle, Barb Shaffer and everyone else that helped.

Thanks also go to PC Brad Huntley for his year of service as the Interlake Sailing Class Association president and to PC Fritz Everson whose watch as vice president started at the Saturday night dinner.

The weather was great, the race management was first class, and the event was a success.

For the Good of the Order

JAM and PHRF captains - To avoid the annual mad rush to get results compiled and flags ordered in time for the awards banquet, please submit results for the Spring and Summer series by Sept. 9. I will order flags for these two series on Sept. 10. This will give the flag shop more time to prepare the flags for these two series. Flags for the Fall and Away series and for special fleet awards will be ordered no later than four weeks before the banquet. Thanks! — Don Guy

Regatta and event chairs - Flags, trophies, and other awards need to be ordered at least four weeks prior to your regatta or event. Contact Don Guy at 419-202-2948 or donguy@aol.com

Many awards/trophies were not picked up at the Fall Banquet. These awards are still at the Dairy Bar and may be picked up any time the Dairy Bar is open. Thanks, Don Guy.

What a great Islands Race weekend we had! The race got off to a slow start, but then the wind gods cooperated and the boats had a nice run down to the shortened finish at Scott Point Shoal – then an even better reach back to the bay. The fastest boats finished in a little over four hours and the last boat finished in seven hours, getting the entire fleet back to the club for burgers and a cold one at a civilized hour. Congratulations to all the competitors.

The weekend began with a torrential downpour Friday afternoon that thankfully abated right about the time the shutters rose at the dairy bar. Timing is everything.

The rib dinners, for the first time, were provided by Pier 684 and were the best ever. Those members who stayed on their boats missed a great meal.....and also an opportunity to support Stein Hospice. The benefit raised \$1,600 for hospice programs. See the listing below for those members who supported our local hospice organization by enjoying those terrific ribs.

To cap off the evening, the band was superb....and quiet! We could listen and dance to great music and have a conversation at the same time. What a concept.

A weekend like this just doesn't get done without dedicated volunteers, and we have many to thank, including Bryan and Eric for their guidance and support, John Welsh and his crew for an expertly orchestrated dinner and breakfast, Carol Peter for club decorations, Mike Fishbaugh for everything related to email blasts and the website, Tim for a bunch of stuff, the Guys for our awards, Jim Ziss and his crew for after race burgers, Jim Keane and his team on the race committee including Barb Shaffer. A big thanks to you all. You helped make for a memorable race weekend.

Norm hits the water!

Four or five years ago, PC Norm Winkel found some wood Interlake parts in a shed on Put-in-Bay. This sparked a dream of rebuilding an original wooden Interlake. The Interlake *Norm* finally hit the water for the practice race at the Interlake Nationals. Many thanks to the crew who made this happen: Bob Reynolds (master builder), PC Norm Winkel, PC Mike Muhn, PC Skip Oliver, PC Jeff Smith, PC Fred Walcott, PC Jim Ziss, John Luipold, Fred Rhode, John Borman, Terry Kilpatrick, and a host of others. It was a fantastic way to start this year's Interlake Nationals.

Norm will be on display at the Maritime Museum.
