## From the Helm ..... Comm. John Giordano

*June is here* and even though some members have been delayed getting boats in the water, we're off to a great start to the season.

### Our annual Memorial

*Day Service* was extremely well attended. I didn't take an exact count, but by the amount of chicken served there were around 120 in attendance. I'd like to thank PC Monty Kaufman for a great service. I'd also like to thank all the

members who brought a dish to share. When I left there were several tables with conversations going on. Seemed a good time was had by all.

**Friday Night Feeds** - With the re-opening of the club, activities are back into full swing and Fireside Fridays/ Friday Night Feeds are off to a great start and have been well attended. To keep this rolling, we're always looking for volunteers. We'd love to spread this out to make light work for everyone. So, if you're willing to serve or prepare food, or even take a shift at the Dairy Bar, please reach out to a member of the Bridge and we'll get you on the schedule.

**Club security** - As discussed at the members' meeting, the new gate has been installed, and final configuration of the security system has been completed. For the safety and comfort of all members, we activated the system on June 1. This was later than originally communicated, but we needed additional time to let the postal service work their magic. As I previously noted, this will mean the gate and doors to the club will be locked. So please ensure you bring your key cards when you venture up to the clubhouse.

**Stuff from 2024 Awards Banquet** - Also, we've set out the remaining qualifier awards along the front windows. They are all labeled with names. If you haven't already, please pick yours up by June 15. After that date they'll no longer be available. If you don't find yours, let me know and we'll track it down.

#### **Finally, a couple of housekeeping items:**

**Galley Fridge** - First, we've noted in a couple of *Cross Bearings* that the galley fridge is for club food only. This is a requirement of the health department and our license to prepare and serve food. Unfortunately, recently we've had to dispose of a good bit of food left by members and some beverages. So please don't leave things behind.

**New pet policy** - Second, we're trying to keep in tune with our membership and become a more pet friendly environment. As such, we've recently adopted a new pet policy. This new policy allows owners to bring pets into the club as long as they adhere to certain requirements. Unfortunately, we've had an issue recently where an owner didn't adhere to these and left a mess. As a pet owner, it troubles me to say this, but we need you all to be responsible owners and adhere to the rules and clean up after your pet, inside or out. Our vice commodore has details later in this *Cross Bearings*.

**Club cleanliness** - Lastly, we pride ourselves on being a volunteer club. As such, we don't have staff on site and our cleaning crew is only in twice a week. This helps keep our membership costs low, but it comes with some responsibility. If you see something that needs to be picked up, cleaned up, or trash taken out, please do so. This helps us maintain a friendly inviting atmosphere for everyone. Your flag officers also appreciate the assistance in keeping the place tidy as it allows us to enjoy the club when we are there with friends and family.

**As always, if you have any questions, suggestions or concerns**, please reach out to me. — Commodore John Giordano, 205-903-9257, [BoilerJohn85@gmail.com](mailto:BoilerJohn85@gmail.com)

#### **Vice Commodore's Bark Report**

**It's that time of year again** when sanding gives way to sailing, and the marina fills up with boats, buzz, and pre-Mills excitement. I'll admit—I haven't been around the club as much this past month because I've been elbows-deep getting my own boat ready for the 101st Mills Trophy Race (and maybe doing a little more sanding than I'd like to admit). If you've been doing the same, I feel your pain—and your anticipation. See you on the start line!

But before I head out for the race, I wanted to drop a quick update on a different kind of four-legged crew that's been making waves around SSC: dogs.

Yes, we know many of you love bringing your canine co-captains along for dock strolls and patio hangs, and we love seeing them around the club. But just like a good regatta, it's important we have a few house rules to keep things running smoothly for everyone—two-legged and four.

#### **Introducing the SSC Dog Policy**

To keep tails wagging and tempers cool, here's what to know:

- Dogs are welcome in the clubhouse—but only when there's NO food service, meeting, rental, or formal event happening. Think chill times, not prime rib nights.
- No pups on the furniture. Even if they claim they're part human.
- Leashes, please! Always, everywhere on club grounds. Even if your dog knows the rules better than most of us.
- Only well-behaved dogs allowed. Barking? Biting? Bolting? Better to skip the clubhouse.
- Pick up what they put down. Bins and bags are available—be a responsible hooman.
- Service dogs are always welcome, no matter the event schedule.

Enforcement will be done kindly but firmly by our Commodores and Board of Trustees. If Fido breaks the rules too often, we might have to revoke his membership privileges (but we'll still love him).

**That's it from me this month.** Safe sailing, good luck to all the Mills racers, and remember—whether it's launching a boat or walking your pup, we're all in this together, one volunteer-powered moment at a time.

#### **View from the Rear .....RC Tim Ujvari**

The 2025 sailing season at the Sandusky Sailing Club has arrived and a multitude of activities are underway. A good number of sailboats are in the water, despite the foul spring weather, skippers and crew are rigging, fitting out, bending sails and of course Wednesday Night racing has returned.

**The Memorial Day weekend** was gladly met with mild weather, PC Monty Kaufman led the memorial service along with the blessing of the fleet, and flags were raised. The potluck dinner was bountiful, well attended with a vibe of sailing conversation in the air.

**Fireside Fridays and the the Friday Feeds** - A shout out goes to all those that have hosted the Fireside Fridays and the the Friday Feeds. The hosts for the month of May included VC Tim Willford, PC Pete and Paulette Grant, David and Kathy Knox, Daryl and Joyce Deering. Thanks to all the volunteers that step forward, many without being asked, to make our SSC such a unique place.

2025 Interlake Nationals  
Sandusky Sailing Club  
Sandusky OH  
July 23-26, 2025

Sandusky Sailing Club (SSC) and Interlake Fleet #1 welcome you to the 2025 Interlake National Championship! The fleet has been hard at work preparing a great event, both on and off the water. Below are some details to help you start planning your trip!

This year, festivities begin early! As a Nationals tune up event, the Sandusky One Design Regatta is being held the weekend prior to Nationals, on July 19-20. This gives racers a chance to practice at the venue prior to the big show. We will be offering pre-Nationals measurement through the weekend, so you can get that completed. You can also leave your boat at SSC for nationals to help make travel just a bit easier. Come early, get measured and some practice laps in, and enjoy a few more days of sailing on the Sandusky Bay!

We will start the Nationals with the Women's and Juniors events on Wednesday afternoon. That evening, Don Huntley and crew will throw a shrimp boil for the opening dinner and the competitor's meeting will follow. Matt Bounds will once again join us as PRO, and will be sure to run a great event for us.

Challenger and Championship racing will be Thursday through Saturday, with onshore activities planned each day. Food trucks will be on site Thursday evening for those who are hungry, and will accompany an R/C boat challenge in the basin. The class banquet and annual meeting will be held at the club Friday night, and a grilled lunch will wrap up the event after Saturday racing.

You may not recognize the club, as a team of members have worked hard through the winter to renovate the facility - it looks great! SSC offers a large paved drysail area, along with three hoists and a ramp for those who prefer.

With Sandusky being a popular summer travel destination (Cedar Point!), we recommend to plan early for accommodations. There are many hotels and Airbnbs in the area, as well as tent camping available at the club for \$20 per night.

We look forward to seeing you in July! If you have any questions, please contact Regatta Chairman Phil Montgomery at (419) 503-5555 or Pmonty@yahoo.

### Things to know about Galley Duty:

Nobody wants to do it, but everyone wants to eat it. Galley Duty is a time to work together among the Fleets vs all on one fleet.

If a boat (Interlake, PHRF, JAM) has galley/race committee duty, that boat is NOT expected to be on the race course the evening of their duty. However, they will be compensated by receiving a score equal to their average scores for the current series (either 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> Wednesday) and race qualification credit for the night they are assigned to serve.

Fleet Captains have assigned nights to Skippers. Should only be one time during the season for a Skipper, but there may be times that a second time is required and Fleet can figure who will cover that week.

**See Page 2 or the back side of this schedule for Galley Management instructions**
