Commodore's CommentsMike Fishbaugh

Memorial Day weekend - The weather cooperated perfectly over Memorial Day weekend as the temperatures and breeze made for a perfect start to summer. It was great to interact with many of our new members on Sunday at the New Members' Party, and the Memorial Day Service followed by our annual potluck certainly brought a great crowd to SSC. Thanks to everyone who participated in these events. Thanks to PC Monty and Suzie Kaufman for organizing the Lighthouse

Inspection Tour as well as the New Members Party. It was great to hear that the lighthouse is still there and ready for another great sailing season. Again, welcome to all our new members!

This coming weekend is the SSC One Design Regatta.

The weather forecast is looking great, so please plan on coming to SSC at our premier one design event.

The Sandusky Islands Race & Stein Hospice Cup is being held on June 27 and 28, and along with this great event, we are also having a club Sail Away to Middle Bass Island. RC Steve France and his committee have been working hard on new plans for these events, with the race now ending off of Middle Bass Island. As the original deadline for dockage has arrived, we have requested another block of docks, so if you haven't already, please complete a dockage reservation and come be part of the festivities at MBI on Saturday, June 28! As we did last year, the dinner on Friday Night, June 27 will be a fundraiser for Stein Hospice. \$10 from each dinner sold will be donated to Hospice, so please invite your family and friends to join us at the club in supporting this great community cause. ([See flier](#))

Learn-to-Sail - Our Learn-to-Sail programs begin on June 9. If you haven't already registered, there is still time and spots open in all sessions. Please visit sanduskysailingclub.org and click on the Learn-to-Sail link.

Long-time member Paul R. Hohler

Sandusky passed away late Thursday morning, May 8, in the Commons of Providence. Paul and his family were avid Sunday morning participants years ago when Paul's health was better. In past years Paul and his daughter, Susan, frequented the dairy bar and social end of SSC. Our condolences go out to the Hohler family.

The next monthly SSC Board meeting will be held on Tuesday, June 10. As always, board meetings are open to all SSC members.

If you have any SSC issues that you would like to discuss or address, please contact me at 419-656-0807 or mfishbaugh@pathmaker.net

Pesky snake near your boat? Don't call Turtle Man - just find Snake Boy, aka Ethan Winkel. He'll take it away to a better home. He can usually be found hunting snakes or fishing around the docks. Or call his dad at 419-621-6603 or check dock A-6.

Vice Vice Baby!!.....VC Pete Grant

****NOTE**** Please be careful when driving through the parking lot. The SJRT has started their practices and the Learn To Sail program is about to kick off so we will have a lot of young ones running about!

Clubhouse news - The house and grounds look wonderful after all the work members put in on our spring workday. If you see something that looks like it needs attention and you have the skills to address it, please feel free to do so. Please contact me if you decide you are going to work on something so I can make sure someone is not already working on it.

Grills - Please remember that the grills are community assets that are there for all to use. Please clean the grills after use. There are grill brushes in the galley. Thank you.

Electrical project update - Well, as I'm sure you have seen, things are well underway with Brady Electric and the electrical upgrade project. It seems so far there has been minimal interruption in service. This is quite a major upgrade of service for the benefit of all at the club so we ask your support and patience during the many weeks of the project. We will do everything possible to minimize the inconvenience during the upgrade but please try and be patient and understanding as we know there will be some interruption in electrical service and some inconvenience on the docks. Thank you in advance for your understanding and support.

****CAUTION****

Please be careful walking down the docks. Due to the electrical project there are some loose planks that can pop up and grab your toe. Take extra caution to avoid tripping.

Yearbook - Many thanks to all who helped work on this year's yearbook; it was very much a team effort. A special thanks to the PC Eric Winkel for all the lay out work and PC John Hartung for his work on the advertising end of things, Eilene Guy for proof reading and PC Roger Fair for many of the pictures. Also thanks to Commodore Mike Fishbaugh for helping to transfer the membership data over from the new website.

For any House and Grounds issues that need attention, please contact me at pgrant@bex.net or 330-416-2884.

Rants from the RearRC Steve France

Stein Hospice Benefit Dinner – At our first benefit dinner last year, you and your club raised nearly \$3,000 for local Stein Hospice programs...and what a great way to do it! Great music, and possibly the best ribs in town – all for only twenty bucks, \$10 of which goes directly to Stein Hospice and may be tax deductible. The folks who were there for our first benefit probably have it on their schedule already. But if you weren't able to join us last year, be sure to put Friday, June 27 on your calendar to dine at SSC. (See flier)

Wednesday night races – Our first Wednesday race was one to remember – light winds and a big wind shift up the first beat, turning a windward/leeward course into four reaches – then a scramble back to Sadler to beat a nasty storm. Some did. Some didn't. The grill crew performed heroically after the race and should be in line for combat medals with winds and rains

sweeping through the grilling area soaking everything, including the grillers.

Lighthouse Inspection Tour/New Members Dinner – A dozen boats inspected the lighthouse and reported back that it indeed still stands. The only thing that could have improved on a near perfect day was just a tad more wind. Our new members' dinner followed and we had a pretty good crowd, including a nice group of new members. Over the last year, your club has welcomed more than 30 new members. Hats off and thanks to PC Monty and Suzie Kaufman who organized the day and provided us with a great meal. PC Monty and Suzie also were also on the oar for our Memorial Day potluck. Members loaded up the galley counter with a creative smorgasbord, enough to satisfy a big Memorial Day crowd. Monty and company ordered up another perfect day!

For any social or educational issues or ideas, please get in touch with me at stevefrance@ameritech.net or 330-524-6516.

OperationsTim Kyle

Hoists should be warmed up before use. It's tough on a hoist to snatch a load and lift it when it's cold. If you are the first one to use a hoist, please run it down and back up to warm up the motor and gearbox before lifting your boat.

Sailing etiquette - Please be considerate of other boaters when entering and leaving Sadler Basin. Although every boat is responsible for keeping clear of other boats, keep in mind that boats under sail have rights over boats that are motoring, a boat under way has rights over a boat backing from a slip, and a boat returning has rights over a boat leaving the marina. It's a good idea to have a crew member assigned to look out for other boats before last second evasive maneuvers are necessary.

Avoid keel damage - When entering the basin, stay 100 yards off shore until the white light pole (located on-shore towards the police station) is in the center of the opening. Then turn and head directly for the opening. When departing, make sure you continue straight out of the opening for at least 100 yards before turning. Several large rocks have been reported near the shoreline by some unlucky sailors.

Trash - Please deposit bags of trash from your boat in the dumpster and not in the trash cans located around the clubhouse. This will help control the cost of can liners and reduce the frequency of emptying the cans. Your help is appreciated!

The next meeting of the Sadler Basin Committee will begin at 7:00pm on Monday, July 7 at SSC.

Contact information - Any questions, comments or concerns relative to the clubhouse or basin operations are welcome. You can contact me at timmo@sbcglobal.net or call 419-656-5881.

Race GoverningTom Cassidy

Race Committee Crew - One of the points we have to focus on is expanding the crew pool for the Race Committee boats. This season we get a breather from hosting large regattas, which is great for the RC. It's no secret that the RC has been pushed to the limit for some time. We have to step up and help them.

Cruising FleetMark Swabley

Leamington - We have 15 docks reserved for the June 13-15 trip to Leamington. After an early departure on Friday, we will arrive in Leamington for our traditional wine and hors d'oeuvres with live entertainment on the patio that evening. Saturday during the day is free for biking, shopping, or just being lazy in the lovely renovated facilities of the marina. Saturday evening we will gather for dinner and there is a pig roast and hoe down at the marina. We'll set sail south at our leisure on Sunday morning. If you are interested, please email Jim Ziss jimziss@gmail.com your information as follows: Last name, first name, boat name, LOA, beam, street address and city, state, zip code, phone and e-mail.

Lorain - June 21 - 22. On Saturday, we will sail to the Lorain Sail and Yacht Club for a welcome party before heading over to the deck at Jackalope's to behold the most beautiful sunset on the lake. On Sunday we will sail back to SSC.

Sandusky Islands Race/Cruise on June 27-29 - Race registration fee is \$90 (\$80 if paid by June 22) and sail-away registration is \$24. Both include a dinner ticket to our Friday night Stein Hospice Benefit Dinner at SSC plus a couple of cold ones at JT Walleye's on Saturday afternoon. Contact Middle Bass Island State Park Marina at 419-285-0311 for dockage.

Junior Race TeamLori Coulter

The juniors had their first official practice of the season on Saturday, May 17. Although the air temps reached only about 46 degrees, the wind was light enough to ensure a capsized-free evening. Our eight Opti sailors joined our three 420s and two Lasers. We are so fortunate to have such a large fleet of Optis this year so that we may ensure the longevity of the Sandusky Junior Race Team. We would also like to welcome back Sam Patterson, our head coach from The University of Virginia, as well as our very own Ryan Kyle. We are also excited to welcome aboard our newest sailing coach, Mic Kaufman, who sailed as a junior.

If you want to see your race team in action and you're not up for the traveling, our home regatta is scheduled for June 21. Here's looking forward to another amazing season!

For the Good of the Order

Memorial Day Weekend - Thanks to all who sailed in the Lighthouse Inspection Cruise. Thanks to those who helped with the Sunday evening dinner and the Memorial Day potluck. It was good to welcome the new members of SSC. It is you who make this Memorial Day weekend tradition possible.
— PC Monty & Suzie Kaufman

One Brick Shy of a Full Load — PC John Hartung
Ah Spring! A time to be getting your boat in the water and ordering your free*, engraved brick for the SSC Flagpole Plaza. How do I get a free, engraved brick you ask? Simple: Contact me at 419-433-5560 or email sailtung390@gmail.com, and I'll get an order form off to you lickity-split. And, if you're one of the first 25 club members to order, I'll even throw in a set of free, plastic steak knives. This offer won't last forever, so act NOW! The phonenumber is open and the operator is standing by.
* A shipping and handling fee of \$100 will be charged for each brick order.

Sandusky Islands Race/Stein Hospice Cup and Sail Away: June 27-28 - The I's have mostly been dotted, the T's mostly crossed and there's now less than a month to go till our all new Islands Race and Club Sail Away: Three new courses for PHRF, JAM and Cruising Fleet sailors all leading to Middle Bass Island, a fun, economical Sail Away for our cruising sailors, docks reserved at the MBI Marina plus adult beverages, good food, music and good times awaiting us at JF Walleye's.

Race registration is only \$80 if paid by June 22. Sail Away registration is only \$24. Both Race and Sail Away registrations include a ticket for the Friday evening Stein Hospice Benefit Dinner and beer tickets at JF Walleye's on Saturday. (See flier)

Those who did not take advantage of our early dock reservation program at the Middle Bass can contact the Marina directly at 419-285-0311 between 9:00am and 2:00pm, Monday through Thursday. Mention you're with the Islands Race to try to get on on Pier A.

The race registration form can be completed on-line, downloaded from the [Islands Race page on the SSC website](#) or done in-person during the dinner at the club on Friday, June 27 from 6:00-10:00pm. See our website for all other documents. Join us for a memorable club wide weekend adventure.
