Things to know about Galley Duty:

1. Nobody wants to do it, but everyone wants to eat it.
2. Galley Duty is a time to work together among the fleets vs all on one fleet.
3. Fleet Captains have assigned nights to Skippers. Should only be one time during the season for a Skipper, but there may be times that a second time is required and Fleet can figure who will cover that week. **Each Skipper needs to send 2 Crew Members to do Galley Duty for their assigned night.** Skippers are responsible to find a replacement.
4. See Tim for the Cash Box. If someone wants to purchase dinner(s) w/ a Credit Card, they are to go to the Dairy Bar to pay for dinner with their Credit Card and get a ticket. (1) Ticket equals (1) dinner. Keep tickets in the Cash Box to track how many dinners were purchased with Credit Cards.
5. Special Food Restrictions due to Health Issues - text it to Matt @ 419-202-0044 before the Tuesday prior. Burgers, Brats, Toppings, Buns, Chips, Sides, & Simple Dessert will be provided by the Club. Any additional items maybe provided by the Fleets.
6. Please clean the Galley at end of night, including emptying trash can(s).
7. NO FOOD CAN BE PUT BACK IN THE REFRIGERATOR. OPEN = DONE.
8. When handling uncooked food or food in general, please wear the blue gloves in the center drawer in the island. If you use the last glove, text Matt @ 419-202-0044 to add to the following week's shopping list.
