### Things to know about Galley Duty:

Nobody wants to do it, but everyone wants to eat it. Galley Duty is a time to work together among the Fleets vs all on one fleet.

If a boat (Interlake, PHRF, JAM) has galley/race committee duty, that boat is NOT expected to be on the race course the evening of their duty. However, they will be compensated by receiving a score = to their average scores for the current series (either 1<sup>st</sup>, 2<sup>nd</sup> or 3<sup>rd</sup> Wednesday) and race qualification credit for the night they are assigned to serve.

Fleet Captains have assigned nights to Skippers. Should only be one time during the season for a Skipper, but there may be times that a second time is required and Fleet can figure who will cover that week.

**See Page 2 or the back side of this schedule for Galley Management instructions**

## SSC Galley & RC Helper Schedule 2024 Season

**Each Skipper needs to send 2 Crew Members to do Galley Duty for their assigned night.** Skippers are responsible to find a replacement.

See The bartender for the Cash Box. If someone wants to purchase dinner(s) w/ a Credit Card, they are to go to the Dairy Bar to pay for dinner with their Credit Card and get a ticket. (1) Ticket equals (1) dinner. Keep tickets in the Cash Box to track how many dinners were purchased with Credit Cards.

**Each specified Skipper is also to provide ONE person to support the RC in placing and pulling anchors. Specific folks will support their respective RC Fleet/boat as designated above.**

Special Food Restrictions due to Health Issues – call RC Tim Willford @ 419-984-5680 before the Tuesday prior. Burgers, Brats, Toppings, Buns, Chips, Sides, & Simple Dessert will be provided by the Club. Any additional items may be provided by the Fleets.

It is expected that the Galley is cleaned, swept, and mopped at the end of the night, including emptying trash can(s).

NO FOOD CAN BE PUT BACK IN THE REFRIGERATOR. OPEN = DONE.

When handling uncooked food or food in general, please wear the blue gloves in the center drawer in the island. If you use the last glove, call John G. at 205-903-9257 to add to the following week's shopping list.
